

***YOUR ONE STOP IMPORT/EXPORT
CARGO LOGISTICS EXPERTS***

The Price Group is the industry-leader in providing 3PL services to the Western and Southwestern United States. With more than 70 years of experience serving the import/export community, we are your one-stop logistics experts. When it comes to CES, complete transportation services, convenient warehousing, faster distribution, fully-integrated logistics and the highest level of customer service – **THE PRICE GROUP DELIVERS.**

The Price Group was founded in 1934 as a small family-owned business with one truck hauling personal effects and baggage to and from the port in Los Angeles. Today, we are an industry-leading, multifaceted transportation and warehouse company serving the complex needs of the import/export community and nationwide domestic customers.

The Price Group has remained a family-owned business for more than 70 years. And since our humble beginnings, our mission has remained the same – deliver outstanding levels of customer satisfaction, first time, every time.

A handwritten signature in black ink that reads "Rick Streyer".

As a Price Group customer, you'll benefit from our comprehensive, integrated supply chain management and value added services:

> U.S. Customs Central Examination Station Services

The Price Group is the largest provider of U. S. Customs Centralized Examination Station services in the country. Our dedicated CES facilities serve the ports of Los Angeles and Long Beach, offering a wide range of examinations.

> Warehouse/Distribution Services

The Price Group provides U.S. Customs Bonded and Public Warehousing, as well as Consolidation Services.

> Transportation Services

The Price Group is a U.S. Customs Bonded Common and Contract Carrier providing transportation services in the West and Southwest.

> Logistics Technology

The Price Group understands that the flow of information about your product is as important as the product itself. We provide complete supply chain coordination and logistics integration that gives your business a competitive advantage.

CENTRALIZED EXAMINATIONS

The Price Group is the largest provider of U. S. Customs Centralized Examination Station services in the country.

**"YOUR ONE STOP
IMPORT/EXPORT CARGO
LOGISTICS EXPERTS."**

The Price Group's dedicated CES facilities serve the ports of Los Angeles and Long Beach, offering a wide range of examinations in one convenient, central location. U.S. Customs, USDA and FDA inspectors are stationed on-site.

Our centralized facilities provide clients with benefits such as:

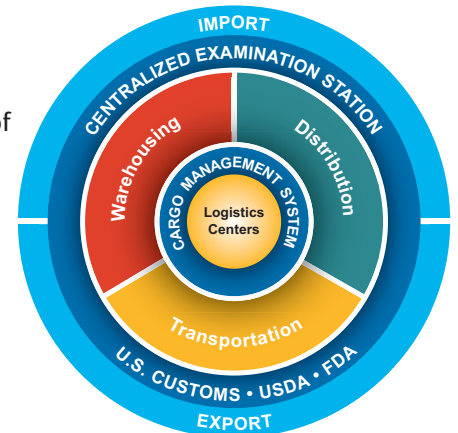

- Faster through-put to clear shipments
- In-house messenger servicing U. S. Customs House, Customs House brokers and customers
- Exclusive cold room examination area maintains integrity of cold chain
- Increased overall efficiency

With inspectors on-premises, the Price Group is able reduce the amount of time it takes for the exam process to be completed.

Services offered at our CES facilities include:

- Trade Compliance Examinations (MET)
- Contraband Examinations (CET)
- Agriculture Exams (CPBa)
- Food and Drug Exams (FDA)
- Fumigation (USDA)
- Agricultural Marketing Service (USDA)

To help our customers with this critical aspect of their import or export business, we offer online tracking of the examination process from initial selection through completion with electronic data interchange (EDI) capability.

WAREHOUSING & DISTRIBUTION

The Price Group provides U.S. Customs Bonded and Public Warehousing, as well as Consolidation Services in the West and Southwest.

**"YOUR ONE STOP
IMPORT/EXPORT CARGO
LOGISTICS EXPERTS."**

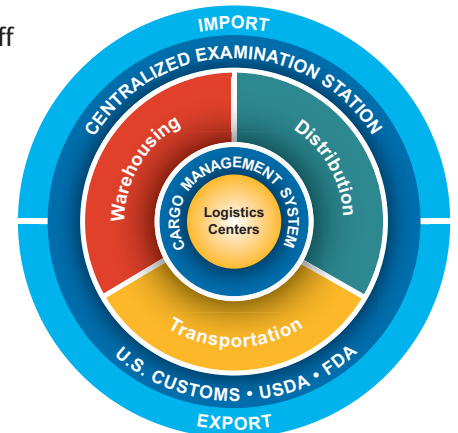

In today's fast-paced business environment, maintaining your competitive edge means getting product to your customer on time, and in the fastest and most cost effective manner possible. That's why the Price Group offers a complete range of centralized logistics services at all 1.2 million square feet of our warehouse facilities, including preparation and receipt of orders through the confirmation of delivery appointments with your vendors and/or customers.

We know that accurate and risk-free coordination of the flow of goods and information is critical to the success of your business. At the Price Group we customize our services to improve your handling and distribution, and provide you with reporting that keeps you in control on a real-time basis. O.S. & D reports are immediately generated upon discovery of any discrepancy within the shipper's packing list or manifest.

The Price Group combines superior customer service with expert supply chain coordination and logistics integration. We strive to be a reliable extension of your company, offering you the piece of mind you deserve and the services you need to grow your business.

U.S. Customs Bonded Warehousing and Storage

The Price Group provides U.S. Customs bonded warehousing and storage. Our experienced staff will handle your freight in total compliance with all Customs regulations and requirements. When required, bonded manipulations, repackaging and re-labeling are carried out under Customs supervision.

WAREHOUSING & DISTRIBUTION

Duty Paid and Public Warehousing

We offer duty paid and public storage at competitive rates, and in a secure environment. Our 10-acre yard storage area can accommodate refrigerated and dry containers. Small package shipments, up to full truckloads, are all part of the logistics process. We are intimately familiar with all major stores' routing guides and requirements.

Cross Docking/Transloading

The Price Group's facilities are equipped to transload a wide range of cargo, from dry goods to refrigerated items.

Export Consolidation

We provide consolidation services, handling domestic merchandise, as well as receiving of goods for export loading, blocking, bracing, crating and repackaging. Our trained staff is fully knowledgeable about all U.S. Coast Guard requirements for the movement of merchandise. We specialize in automobile export handling, hazmat blocking and bracing, along with general products.

Value-Added Services

Our value-added services include stock rotation, inventory control, pre-staging orders, pick and pack, labeling, ticking, changing color assortments, changing size runs, palletizing and stretch wrapping.

Security

At the Price Group, protecting your merchandise is one of our highest priorities. All of our warehouses are secured with closed circuit TV cameras, audio and motion sensors, and monitored 24/7 by on-premises security guard services. All Price Group warehouses comply with security bonds and requirements of the U.S. Customs Service.

TRANSPORTATION

The Price Group is a U.S. Customs Bonded Common and Contract Carrier providing transportation services in the West and Southwest.

**"YOUR ONE STOP
IMPORT/EXPORT CARGO
LOGISTICS EXPERTS."**

The Price Group provides complete solutions that fulfill your inventory and transportation needs. We meet the vital "just-in-time" delivery requirements your company demands in order to successfully operate with ever decreasing inventories.

The Price Group is a U.S. Customs bonded common and contract carrier operating a diverse fleet of trucks out of our facilities in Long Beach, California, and Phoenix, Arizona. We are dedicated to providing you with the best customer service in the industry.

Transloading/Yard Storage Services:

We operate a 25 position cross dock on seven acres of terminal and yard storage space located in the heart of Long Beach/Los Angeles harbors.

Our transloading/yard storage services include:

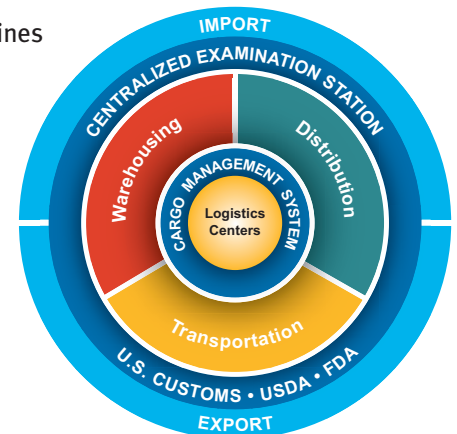

- Los Angeles/Long Beach intermodal cartage throughout the Southwest
- Load consolidation/swing loads
- Short and long term container and trailer yard storage
- Trailer load/L.T.L. cartage nationwide
- Three-axle extendible chassis for overweight 20' intermodal containers
- Rail intermodal cartage services and transloading/distribution
- Permit load cartage and handling
- Interchange agreements with all steamship lines and railroads
- Full cargo and liability insurance

LOGISTICS MANAGEMENT

The Price Group offers seamless, integrated logistics management.

**"YOUR ONE STOP
IMPORT/EXPORT CARGO
LOGISTICS EXPERTS."**

The Price Group understands that the flow of information about your product is as important as the product itself. We provide complete supply chain coordination and logistics integration that gives your business a competitive advantage.

Our trucking, warehousing, distribution and CES services are part of a fully integrated logistics solution. All Price Group operations are controlled by our seamless Warehouse Management System (WMS), which electronically tracks your merchandise from pick-up through warehousing, storage and final distribution - and provides up-to-the-minute reporting that keeps you in control.

The Price Group's just-in-time cargo logistics service is committed to turning around all cross dock product distribution operations in 24 hours or less. We streamline and customize the distribution/consolidation process, providing you with the convenience, cost and time savings that is only possible through single vendor control.
